

Senior Warden's Report September 27, 2022

1. **Service Update** – Use of supply priests has been going well. We will be using COMAP the weekend of September 24-25. A report on this will be made at the Vestry meeting.
2. **Funerals** – We are having several funerals. Mthr. Kay Dagg has been the officiant.
3. **Building & Grounds** – Preparations are taking place for the Diocesan Convention dinner that will be held in our Parish Hall on Friday, October 21.
4. **Stewardship** – The Stewardship Committee is beginning to meet to plan this year's efforts.
5. **Senior Cooking Class** – An offer has been made to allow a retired nutritionist, chef, catering gourmet to go individual to have healthy meal preparation classes for seniors. Thoughts???
6. **Souperbowl Gatherings** – This first one left much to be desired ... at least attendance wise. Almost two cases of soup made its way to the Rector's Pantry. A report on the game involving the Chiefs will be made at the Vestry meeting.

Peace,

Jim Edwards
