

2022  
Worship Committee

The Worship Committee was reorganized after having been inactive for several years. Jim Edwards recreated the Committee with new members to help the Church prepare for the new Priest, assist the new Priest in leading the parish, and to review parts of our church services that were removed during the pandemic and evaluate them for possible inclusion in future. This Committee began meeting in October.

Committee Members included:

Ann Palmer Chair  
Jim Edwards, Senior Warden/Rector Representative  
Eva Brown  
Susan Byler  
Kristie Baker - Lampe  
Bryan Irvine  
Amy DuPuis

Recommendations and work projects that came from the Worship Committee:

- Bring back the Confession as part of the service
- Bring back the Doxology as part of the service
- Remind people about kneeling (if able)
- Worked with The Greening of the Church group and provided the meal
- Worked with the Pageant Group on the service
- Took ideas from Parishioners about Parish Worship

This Committee will continue to work to assist Mtr Doreen in all things related to worship and coordinate activities related to worship.
