

Rector's Report for the 2022 Annual Meeting

A Summary of 2021

The 2022 Annual Meeting began during the 10:30 service with a summary of the events of 2021. Even through the epidemic of COVID-19, things are getting done and precautions are being taken with social distancing and masks being worn by the choir and recommended for the members. Groups continue to meet. Limited social activities proceed. We are financially stable with a balanced budget requiring some adjustment. We continue to give out gas cards, food and some rent assistance.

We are excited to be getting the new Audio-Visual equipment. Training for those who are going to be running that equipment has begun.

The Sacred Ground Program has started at the Cathedral. We are involved in Sunday Adult Studies and a shared Lenten Program. Our participation in Community Worship is evolving as we begin to use other ways to worship with other churches. We continue to serve the community through Doorstep, Sharefest and other Outreach programs.

Mother Vicki offered thanks to the Outgoing Vestry members: Steve Cowl, Christie Wedeking and Bryan Irvine.

She also expressed appreciation for Treasurer Brett Bauer; Vestry Clerk Pat Coleman; Caretakers Deacon Harry Craig and Deacon Mary Becker; Kristie Baker; Alex Baldwin and all those volunteers who give their time and talent to this prayerful community.

“St. David’s will continue to strive to survive.”
