

We asked. You responded.

“We don’t talk enough about our outreach. The list of things we do in the community is longer than people realize. And it can be longer. St. David’s helps the community and it has provided me a sense of how many people we can help if we just have the resources.”

What is a pledge?

A pledge is a commitment or promise between you and God. It is part of what it means to be a member of a community or family of faith. It is an investment in the future, and shows confidence in your Parish. A church family is like any other family. Every person is asked to do their part to make sure everyone has a place to live and food on the table. The church is the same. We all support our church so we can keep our lights on, our staff employed and support programming that benefits our members the community.

HONOR GOD, LOVE ONE ANOTHER

Stewardship Prayer

O God, I resolve to put you first in my life.

I recognize that You have blessed me with all that I have all that I am. As your steward, I resolve to sacrifice when necessary but always to do so out of a spirit of sincere love, just as your Son, Jesus, did for me.

I humbly accept the challenge to share from my mean rather than from my excess.

I recognize that being a good steward is nothing more

than being truly Christian.

Dear God, I resolve, to be generous with my time, talent and treasure, giving in proportion to the gifts I have been given.

I commit myself to taking care of my body and all of creation.

I know there will be times when I will fail to be a good steward, but I pledge to keep on trying.

I will confidently live each day with a spirit of true peace and joy in knowing that I am doing your will.
