Did you know?

Around 1990 the Stations of the Cross were "devoutly" donated to St. David's by a parish family. They were created from a terra cotta slab by artist Michael Almond, Asst. Professor of Studio Arts at Washburn University. They were not damaged by the fire as they were only displayed during the Lenten and Easter seasons and were stored in boxes in the basement. They are now placed permanently on display in the Sanctuary available for all to see for generations to come.

STATIONS of the CROSS

St. David's is looking for a Nursery Attendant for Sunday service from 10 to noon.

If you know anyone that might be interested in this position, please have them contact the office. We need to have two people in order to offer nursery services.
