Doorstep for June Canned & Powdered Milk

During the month of June, donations to Doorstep are powdered and canned milk. Remember, children are out of school during the summer months, so there is a greater need for these items. Also, any non-perishable food items are appreciated. It is difficult to get as many donations in the summer months, so please keep Doorstep in mind when doing your grocery shopping.

Thank you for your support.

Hospital Visits

If you or a loved one are admitted to the hospital for care, please call the church office and let us know (or leave a message if no one is available). Due to HIPAA regulations, this is the only way we get this information. Thanks!

Have you ever checked out a book from the St. David's Library??

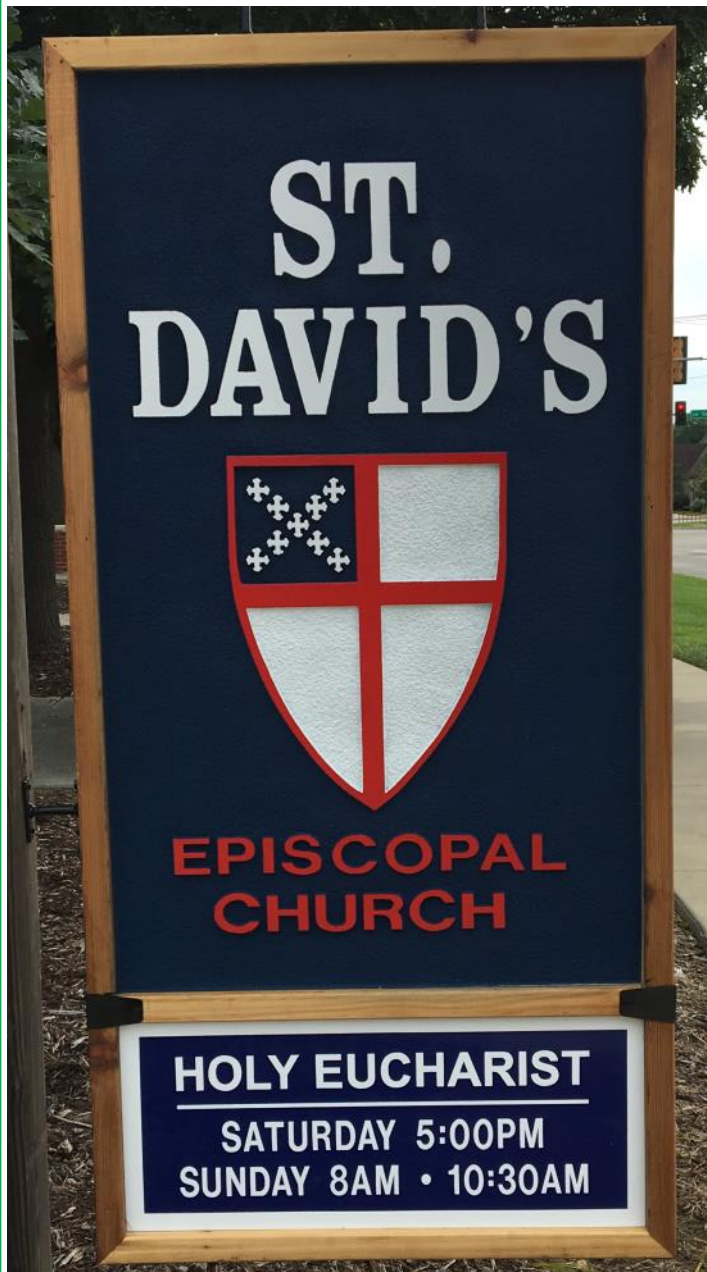

If not, why not give it a try? We have a great selection of books (more than 2,150 titles!) so come in and browse. You can also access the online catalog on our website or stop by the office during office hours. All checkouts are done in the office.

St David's New Signs

The sign pictured replaces our sign on 17th St that fell and broke over the winter. This sign is be made of a strong, weather resistant foam, making it much lighter and longer lasting.

The other sign is the electronic sign on the corner of 17th and Gage- the one we've been talking about for a long time. The funding for this sign comes from unused 2017 endowment funds, 2018 endowment funds, a \$5000 anonymous donation and up to \$5000 from the Parish Life Committee (who've been raising funds for this sign for several years.) Scott Davis is donating the brickwork and we are getting bids for the electrical work.

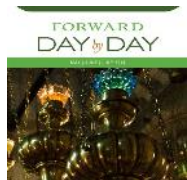

Work on the sign should begin in June, with final installation in 10-12 weeks. We are excited about these new opportunities to increase our visibility in the community.
