SUNDAY, June 27th ~ 2:00pm-3:00pm
1119 SW 10th Avenue ~ Topeka

Join us as we begin our year-long celebration of Doorstep as we seek to Invite, Involve, Include, and Inspire people to participate in Doorstep's mission. We will have light refreshments, share the story of how Doorstep began, take a tour of our food & clothing rooms, learn more about Doorstep and how you can help! Doorstep owns the building we are in, and have been making upgrades and improvements as we can. However, our HVAC system is the original, meaning its been here since the late 50's. Some parts are no longer made for our system when it breaks, and a new more efficient system would save money overall. The goal of the Anniversary Fund is to raise enough in the next year to start our

HVAC replacement, provide extra funds for services and operating expenses. ALL DONATIONS ARE WELCOME - CHECKS MADE TO DOORSTEP/ PUT ST. DAVIDS IN THE MEMO LINE.

EVERGY DONATES FANS TO THE SALVATION ARMY

Annual Donation Helps Those People in Need During Summer Heat

TOPEKA, KS (JUNE 14th, 2021) -- Elderly and disabled people without access to air conditioning or other means of staying cool during hot and humid weather can receive fans starting at 9:00 a.m. until noon, on Tuesday, June 22, at The Salvation Army, 1320 SE 6th Street. Continuing its annual donation, Evergy provided about 600 fans to be given away in Topeka.

“The Salvation Army is helping us reach some of the most vulnerable members of our communities and help them stay safe during the heat of summer,” said Cynthia McCarvel, community relations manager for Evergy. “Continuing this program allows us to reach more homes and help those in need.”

The fans are intended for elderly and disabled who do not have a fan or air conditioning in their home and cannot afford to purchase one. To help the most people, each household is eligible for one fan. Proper ID and household income and proof of address (utility bill or other document) is required. One fan per household and individuals/families can sign-up at the Topeka Salvation Army prior to distribution. Applications may be picked up at Topeka Salvation Army, 1320 SE 6th Street, from 9a to noon and 1p to 3p.

Evergy's local gift of fans is part of a \$84,000.00 fan contribution distributed throughout the communities it serves.

Fans help relieve sweltering summer heat, but some days finding an air-conditioned space is the safest option. Stay aware of these heat safety tips and signs of heat illness.

THANK YOU!

A Big thank you to the Parish life for the new purchase of the Bunn coffee maker and purchasing new paper goods. Regular coffee cups will be used at this time which means the dish washer will be used. Thank you to everyone that has signed up thus far.
