## New St. David's T-shirts available for order through July 31

To promote St. David's spirit and unity - and with the ideas generated in the Adult Forum - the Stewardship Committee is spearheading the sale of a new St. David's T-shirt. The short-sleeve red T-shirts will feature "St. David's Episcopal Church" and the Episcopal shield on the front and the question "What is God up to in our neighborhood?" on the back.

We hope that these spark St. David's pride and also serve as a potential conversation-starter with your friends and neighbors as you share what God is up to here at St. David's and in our community.

T-Shirt order forms are available in the narthex through the end of the month. Orders are due by July 31. Shirts, which are \$12.50 each, are being sold at cost. This is not a fundraiser.

Adult Forum members have generously agreed to purchase T-shirts for members of the parish youth group.

We encourage everyone to consider purchasing a new St. David's T-shirt to wear with pride. We hope to have several spirit days and a group photo coming up!

### Summer Lunch Program

This was the last week for the 2019 Summer Lunch Program and it was a tremendous success! In 2017, the first year, we served 496 meals. This year, 1,041 meals were served!

The tremendous growth of the program has been absolutely amazing!

In addition to providing lunch, books and toys were given to the children and time was spent playing games. It was great to hear and see these happy children in our parish hall!

We had a large group of St. Davidians that worked very hard to enrich the lives of the people in our community! Thank you to all of the great volunteers for making this happen!

### St. David's Clean-Up Day July 27 from 7:00 a.m.-11:00 a.m.

We need ALL HANDS ON DECK for this special work day to help clean, spruce, and shape up our church grounds which have become overgrown with trees, bushes, and weeds. Much like the yearly city-wide Sharefest where hundreds of members from many churches volunteer time and effort to spruce up city schools-we hope we can get as many of our members, (friends, family and non-members-ALL WELCOME) to come together this day to accomplish these badly needed tasks at our St. David's home.

The majority of the tasks will be trimming back all the bushes/trees hanging over and spreading out into the parking lot, back yard, and playground, pulling weeds, and raking up old leaves. We also need to clean up the playground equipment for the kids.

**Please consider this: St. David's could hire professional grounds keepers to do all of this, but surely you know how much that would cost. We could instead use that money to go toward our mission and ministry, something the Vestry considers a much better option.** "Many hands make light work." We can use everyone! Even if you can't do heavy work or can't stay the whole time, there will be something everyone can do.

Refreshments will be provided!

Shirley Golos, Stacie Davis, & Christie Wedeking are the contacts for this project, if you have any questions.

There is a sign up sheet available in the Narthex.
