Thank you to those who have been able to continue with their regular financial contributions. Our pledge income to date is down only slightly.

Of course our plate income is virtually non-existent so our budget is taking a hit on that. If you are able to make an additional contribution to help cover that or to the Rector's Discretionary Fund, that would be much appreciated.

Thank you.

Stewardship Snippet

Christian stewards seek the heart of God in faithfully, joyfully and gratefully managing all the gifts God has given.

Three Friends from Church (Judy Craig, Ethel Edwards, Sharon Koepke) are designing a tree for Festival of Trees, the yearly fundraiser for SLI (formerly Sheltered Living, Inc.). They are in need of Charlie Brown related ornaments. Their garage sale visits have been limited this year, due to COVID-19. If you have ornaments that you would like to donate, please call Ethel at 785-231-9586, and she will make arrangements to pick up whatever you have to donate.

Thank you for your help with this project.

Due to the delay in schools opening, our summer lunch Grab and Go program will continue through August. We are serving nearly 100 children three days a week, with some days as many as 130. Thank you to Larry Buening and all the dedicated volunteers who are making this happen! Feeding kids is what God is doing in our neighborhood!

St. David's is looking to hire a new Youth Director as well as a new Parish Administrator. These are both part time positions. If you know anyone who would be interested in either position, please ask them to contact Mother Vicki for more information.

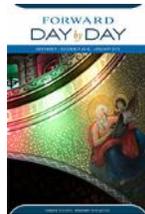

The church office will be closed on Thursday, July 23rd and on Monday, July 27th. The office will be closed from 2:00 Wednesday, July 22nd and will reopen at 10:00 on Tuesday, July 28th.

Forward Day by Days are here!

The newest edition of *Forward Day by Day* (February - April) is in the narthex for a donation of .50 or \$1 (please use envelope provided & put in offering plate or under church office door).

Thank you.

Looking for more ways to support St. David's? The required minimum distributions (RMDs) from your IRA (not including SEP or SIMPLE IRAs) can be donated directly to a qualified 501 (c)3, such as St. David's, tax-free. If you're nearing 70 1/2 or already taking such distributions, talk to your financial advisor or tax planner about this potential way to contribute to the church.

Did you know....????

The Episcopal Diocese of Kansas has a biweekly e-newsletter, *DioLog*, and a quarterly news magazine, *The Harvest*, that you can access on their website at: <http://www.episcopal-ks.org/news/>. Both publications contain information about upcoming events, various outreach ministries, and interviews with parishioners. It's a great way to find out about the work that goes on throughout our state.

How to protect yourself from infection?

- Wear Mask** and avoid contacting or staying close to patient who has **fever, cough, runny nose, and phlegm**.
Only 1 meter away is also a safe distance
- Always wash your hands with soap and clean water especially when contacting patient or items surrounding the patient site.
- When you have **fever, cough, runny nose**, please use the towel, tissue paper to cover your nose especially when you **sneeze or cough**.
