## A prayer for parents

O Lord, you who promise to guide us through the wilderness and to protect us through the storm, we ask that you would make us wise when we cannot clearly see the way forward, make us brave when we feel afraid, make us strong in the face of our weakness, and make possible what to us seems impossible, so that we might joyfully entrust ourselves and our children into your tender care in these trying and troubling times. In Jesus' name. Amen.

## A prayer on behalf of teachers

O Lord, you who have called and equipped the teachers in our community, we pray for them today. Watch over them, provide for them, guide them, sustain them. May you be their sun and shield, so that they might do the work that you have entrusted to them and sense your care in these uncertain times.

In Jesus' name. Amen.

From Christianity Today

Until further notice, there is no congregational singing allowed per diocesan requirements.

St. David's is looking to hire a new Parish Administrator. This is a part time position. If you know anyone who would be interested, please ask them to contact Mother Vicki for more information.

### Recess is Over!

After a very short break, the Summer Lunch Program has been extended through the end of the year. St. David's will be a site on Fridays to hand out meals for the weekend to those children in need. Meals will be distributed from 11:00 to noon for children 0-18 years of age.

### Stewardship Snippet

Many, many talents are found here at St. David's. And many St. Davidians are willing to give their time to share them. We discussed those Stewards who actually serve at the altar each week. And those who work behind the scenes to give us vision and sound for our Zoom services and for our in-person services. Sound is an important factor in our eucharist. For too long, our church remained quiet. No music for us. But finally, our Music Director was able to offer some limited musical opportunities during our in-person worship. Thank you to the angelically talented Stewards who share their time with us. We love your joyful noise.

**TEACHER: Theresa Duncan**

"I grew up dancing since age 3 and developed a huge passion for it. Being from Topeka, Kansas, I was a dancer for Ballet Midwest. Upon graduating high school, I chose to attend UMKC Conservatory, where I just graduated with my BFA in Dance Performance and Choreography. During my time at UMKC, I had the privilege to work with some outstanding choreographers and teachers, known quite well in the professional world, such as Roy Mercer, Cleo Parker Robinson, and DeeAnna Heitt. I have a passion for teaching and hope to offer young children an opportunity to dance from home and an outlet during these somewhat unsure times."
