Donation this month: winter hats and gloves

Fall is upon us and a cold Kansas winter is just around the corner. October's monthly collection is hats and gloves which will be delivered to Let's Help for their clients. As I took hats and gloves there last October, the staff told me that they were completely out at that time. We all know Kansas weather is more than flexible, so let's see to it that children and families are not left out in the cold this winter. Let's Help always appreciates the support of St. Davidians.

Collection: winter hats, gloves & mittens
